

# Powering Forward: New West Truck Centres and Dunlop Truck Centres Join Forces!

We're pleased to announce that Dunlop Truck Centres – a highly successful Western Star dealer with four locations in Cranbrook, Lethbridge, Taber, and Medicine Hat – has joined the New West Truck Centres team!

## Expanded Choices, Enhanced Service

This strategic move expands our dealership footprint in Western Canada and, most importantly, brings the power, rugged durability, and versatility of Western Star to our customers.

As a dual-branded Daimler Trucks North America dealer, New West Truck Centres will offer:

- Freightliner services at our current NWTC locations
- Western Star services exclusively at Dunlop Truck Centres' locations

**New Owners / Same Great Management**

We're also thrilled to introduce Chris Thom in his new role as our Vice President – Dunlop Truck Centres. His industry experience and years running Dunlop Truck Centres as president will ensure a seamless transition and continued success as we chart our next steps.

## Thank You for Your Trust

We are grateful for your continued trust and support as we embark on this journey. Stay tuned for more exciting updates as we shape a promising future together!
